GitHub: github.com/Mita-div1 | LinkedIn: LinkedIn

CAREER OBJECTIVE

To grow as a Full-Stack Developer by contributing to the development of useful, responsive, and user-centered web applications. Interested in working across both frontend and backend development, applying web technologies to practical problems, and continuously improving through hands-on projects and collaboration.

PROFESSIONAL SUMMARY

Focused on modern web technologies, problem-solving, and building practical digital solutions. Has developed project work involving user interfaces, application pages, data-oriented features, and authentication-related functionality. Values clear implementation, responsive design, continuous improvement, and web experiences that address real-world needs.

TECHNICAL SKILLS

Programming Languages: JavaScript, TypeScript
Frontend: React.js, Next.js, HTML5, CSS3, Tailwind CSS, DaisyUI
Database / Authentication: MongoDB, Better Auth
Development Tools: Git, GitHub, Vercel, Netlify
Core Skills: Responsive Web Design, Problem Solving

PROJECTS

Bazar Dor — Grocery Price Comparison App

A grocery-price application designed to help users explore essential grocery prices and compare prices across markets. Project work includes user-facing pages and protected pages, with profile name updates among the described functionality.

Technology: Next.js, React, TypeScript, Tailwind CSS, DaisyUI, MongoDB, Better Auth
Live Demo: Open Project | **GitHub:** Source Code

Fit Log — Fitness / Workout Project

A web project focused on exercise information and workout-plan pages. The project includes exercise detail views and plan-related screens, with pages for active and empty plan states.

Live Demo: Open Project | **GitHub:** Source Code

Dev Stack — Developer Resource Project

A developer-focused web project featuring technology selection, Markdown content, delayed page loading, and toast notifications. The interface includes interactions for selecting and removing technologies.

Live Demo: Open Project | **GitHub:** Source Code

EDUCATION

B.A. Honours
Govt. Gopalganj University & College

PROFESSIONAL INTERESTS

Full-stack web development, frontend and backend technologies, user-centered digital products, responsive web interfaces, and continuous technical improvement.
